IV. To see if the Town will vote to raise and appropriate the sum of \$1,663.09 for Town Road Aid (the State to contribute \$11,087.29).

V. To see if the Town will appropriate \$10,500.00 from General Revenue Sharing Trust Fund to apply toward payment of new Fire Station in Contoocook.

VI. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 for the employment of a fourth full time police officer.

VII. To see if the Town will vote to raise and appropriate the sum of \$8,680.00 for the second installment payment to Robert Roby for the 70-acre tract of land near the present dump site.

VIII. To see if the Town will vote to raise and appropriate the sum of \$44,516.00 for the purchase of a new fire truck and to authorize the Board of Selectmen to borrow not more than \$40,000.00 in the name of the Town for the purpose and execute and issue evidence of such indebtedness notes or bonds of the Town of Hopkinton pursuant to the provisions of the Municipal Finance Act and any other applicable laws of the State of New Hampshire.

(Not recommended by Budget Committee.)

- IX. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the report for, design of, and construction of a sewage disposal system, and pass any vote relating thereto.
- X. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purpose of preparing a facilities plan on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U. S. C. 1251 et seq., 6 Stat. 16 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$15,000.00 under and in compliance with the provisions of the Municipal Finance Act (N. H. R. S. A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hopkinton, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U. S. C. 1251 et seq., 6 Stat. 16 et seq.) and pass any vote relating thereto.
- XI. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be placed in a Capital Reserve Fund for the replacement of the grader.
(Not recommended by Budget Committee.)
- XII. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be placed in a Capital Reserve Fund for the replacement of the ambulance.
(Not recommended by Budget Committee.)
- XIII. To see if the Town will vote to authorize the Selectmen to enter into an agreement with the Town of Webster under the provisions of New Hampshire RSA 53-A providing for the joint ownership, construction, maintenance, and operation of a refuse disposal facility.
- XIV. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the operation, acquisition and construction of a sanitary landfill refuse disposal facility. Said appropriation to be reduced by the per capita share contributed by the Town of Webster, if any, under the terms of the proposed Refuse Disposal Agreement.
- XV. To see if the Town will vote to designate the so-called Old Putney Hill Road in its entirety as scenic under the provisions of RSA 253:17 and 18,

for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7 (1).

- XVI. To see if the Town will vote to designate the so-called Brockway Road in its entirety from Farrington's Corner Road (now called) to its junction with Jewett Road and the section of Dunbarton Road leading from Farrington's Corner to the Bow Town Line as scenic road under the provisions of RSA 253-17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241:7(1). Submitted by petition.
- XVII. To see if the Town will vote to discontinue that highway, if same exists as a public highway, from the Dolly Road, so called, at land now or formerly of Wetterer and Clarr to the Putney Hill Road, so called, at land now or formerly of Glanville.
- XVIII. To see if the Town will vote to discontinue that portion of Old Dolly Road, so called, if same exists as a public highway, from Dolly Road, so called, at land now or formerly of Wetterer and Reade to land of the State of New Hampshire being the right of way for Interstate 89.
- XIX. To see if the Town will vote to authorize and instruct the Town Recreation Committee to meet with the Hopkinton School Board or a committee appointed thereby to study the desirability of entering into an agreement between the Town and Hopkinton School District to share recreational facilities.
- XX. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.
- XXI. To see if the Town will vote to authorize and empower the Planning Board, under the provisions of New Hampshire Revised Statutes Annotated, Chapter 36:19-a, to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or re-subdivision of the site.

- XXII. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to appoint a deputy treasurer under the provisions of New Hampshire RSA 41:29-a.
- XXIII. To see if the Town will vote to authorize the tax collector, with the approval of the Selectmen, to appoint a deputy tax collector under the provisions of New Hampshire RSA 41:38.
- XXIV. To see if the Town will vote to authorize the Board of Selectmen to publish every 3rd year the inventory of assessments of taxable property in the town either in the Town Report or otherwise, and make the same generally available to all property tax payers of the town.
- XXV. To see if the Town will vote to authorize the continuance and existence of the Town Recreation Committee until March 1976. Said Committee to continue its study of the recreational needs of the Town of Hopkinton and to use whatever money is available for this purpose from the Town or Federal Agencies in the form of matching funds.
- XXVI. To see if the Town will vote to accept the following Cemetery Trust Funds, the income to be used as directed, subject to such provisions as may be applicable thereto:
1. The sum of \$200.00 from Edward A. & Ella C. Price plus the interest to date, for the perpetual care of Lot 194, Sec. E, Plots 1, 2, 3, 4 in the Contoocook Cemetery.
 2. The sum of \$100.00 from Alice M. Sherlock, plus the interest to date, for the perpetual care of Lot 38, Sec. C, Plots 3 & 4, in the New Section, Hopkinton Old Cemetery.
 3. The sum of \$200.00 from Paul A. Hansen, Sr., plus the interest to date, for the perpetual care of Lot 219, Sec. E, Plots 1, 2, 3, 4 in the Contoocook Cemetery.
 4. The sum of \$200.00 from Elizabeth D. Duclos, plus the interest to date, for the perpetual care of Lot 209, Sec. E, Plots 1, 2, 3, 4 in the Contoocook Cemetery.
 5. The sum of \$100.00 from Willie & Ethelynd Page, plus the interest to date, for the perpetual care of Lot 192, Sec. E, Plots 1 and 2 in the Contoocook Cemetery.
 6. The sum of \$100.00 from Stella G. Rideout, plus the interest to date,

for the perpetual care of Lot 28, Sec. C, Plots 1 & 2, in the New Section, Hopkinton Old Cemetery.

7. The sum of \$200.00 from Philip B. Cole, plus the interest to date, for the perpetual care of Lot 221, Sec. E, Plots 3 & 4 and Lot 222, Sec. E, Plots 3 & 4 in the Contoocook Cemetery.
8. The sum of \$100.00 from Thomas L. & Mary V. Monahan, plus the interest to date, for the perpetual care of Lot 204, Sec. E, Plots 3 & 4 in the Contoocook Cemetery.
9. The sum of \$200.00 from Rapha N. & Violet V. Story, plus the interest to date, for the perpetual care of Lot 76, Sec. B, Plots 1, 2, 3, 4 in the New Hopkinton Cemetery.
10. The sum of \$200.00 from Shepard J. & Pauline D. Wilder, plus the interest to date, for the perpetual care of Lot 221, Sec. E, Plots 1 & 2 and Lot 222, Sec. E, Plots 1 & 2 in the Contoocook Cemetery.
11. The sum of \$100.00 from Helen Page, plus the interest to date, for the perpetual care of Lot 190, Sec. E, Plots 3 & 4, in the Contoocook Cemetery.
12. The sum of \$200.00 from Ralph & Jennie Boutwell, plus the interest to date, for the perpetual care of Lot 66, Section C, Plots 1, 2, 3, 4 in the New Hopkinton Cemetery.
13. The sum of \$200.00 from George & Robert Bean for John E. & Doris P. Bean, plus the interest to date, for the perpetual care of Lot 28, Sec. E, Plots 1, 2, 3, 4 in the Contoocook Cemetery.
14. The sum of \$50.00 from Roy R. & Alice G. Evarts, plus the interest to date, for the perpetual care of Lot 223, Sec. E, Plots 1 & 2 in the Contoocook Cemetery.
15. The sum of \$300.00 from George K. Libby and George A. Libby, plus the interest to date, for the perpetual care of Lot 49, Sec. E, Plots 1, 2, 3, 4 and Lot 56, Sec. B, Plots 1, 2, 3, 4 in the Contoocook Cemetery.

XXVII. To see if the Town will vote to accept the following funds added to the principals of present accounts in 1974 (or prior to the Town Meeting in 1975).

1. The sum of \$14.11 received for Stock Rights Sold, added to principals.

2. The sum of \$90.00 added to the Glenn M. Haselton Memorial Fund.

3. The sum of \$1,150.00 added to the Evelyn Rice Memorial Scholarship Fund.

XXVIII. To see for what purpose the Town shall vote to expend during the current year the income from the G. Everett Kelly Fund.

XXIX. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the 1975 tax levy.

XXX. To act on reports of Town Officers, Trustees and Committees for the year 1975.

XXXI. To hear and transact any other business that may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and seventy-five.

David A. Story
Thomas Johnson, Jr.

(June-Aug.)

SELECTMEN'S REPORT

Nineteen seventy-four proved to be an expensive year for our town. We saw our tax rate jump from \$22.00 per thousand in 1973 to \$27.50 in 1974. This rather large increase of \$5.50 per thousand reflects increased spending at the 1974 town and school meetings despite the Selectmen's warning in the 1973 Town Report and at the annual meeting that our low rate of \$22.00 was artificial because of the uncertainty of the current use assessment law.

We still spent more than perhaps we should have. In total, the current use cost the town \$1.34 of the \$5.50 increase. This along with increased spending allowed our rate to jump rather alarmingly in this one taxable year.

As a result we would recommend that we exercise frugality in 1975 and at the same time allow for necessary increases and the authorization of required programs.

PROJECTS FOR 1974

Highways

Our TRA funds were used to complete Pine Street which was initiated in 1973. The town construction money was used to improve the northern section of Clement Hill Road. Our future plans are set forth in the Highway Committee Report which follows the Selectmen's Report. We intend to follow this report as closely as the circumstances allow us to. We also initiated a more extensive salt and sand program during the winter months.

Fire Department

The Contoocook Fire Station was basically completed in 1974. There is still some exterior landscaping to be completed. Most of this will be accomplished by the department with little expense to the town.

It should be noted that much of the additional work to the station was donated by several businesses and citizens, including members of the Fire Department. For example, Jordan-Milton Co. donated the loam and the stone used for rip-rap along the river bank and also donated equipment to deliver these materials. HMC Corp. donated loam; Amesbury Realty Corp., paint; W. L. Roberts and Bohanan Brothers donated money; John Sullivan and Channing Haskell, time and knowledge; Aerotronics donated a console for the radio room. The Army 368th Engineering Bat. of the U.S. Army Reserve donated men and equipment to haul loam and fill. Hopkinton Paving, Hopkinton Construction, Leavitt Construction, Johnson Construction and Pine Lane Farm all donated time and equipment. We wish to express our sincere thanks to those who participated and our apologies to anyone we omitted. It's this type of spirit that makes Hopkinton a good place to live.

Police Department

We wish to express our thanks to Chief Hargrove and the men of his department for their cooperation and service to the town in 1974. We should feel proud that we have a well-trained department and one that seems to operate well within the budget the town appropriates.

Thru the efforts of the Police Department, Civil Defense and the University of New Hampshire Extension Service we initiated a program of handling different types of disasters if they were to occur in our town. Participating in this program were the following departments: Board of Selectmen, Civil Defense, Police Department, Fire Department, Town Nurse, Public Service Co., Fire Warden, Overseer of Public Welfare, a member of the Budget Committee, Town Health Officer and Chaplain of the Fire Department. This course was very ably instructed by Warren Clarke of the University of New Hampshire Extension Service. As a result, a planned program for emergency operations has been developed and could be put in use if a natural or other type disaster were to occur.

For 1975 there are several items to be considered in the town warrant.

The first item is the elimination of open burning of the town dump. This is fully explained in a report that follows the Selectmen's Report.

This year we must consider a program for abating pollution of the Contoocook River. The first step is a facilities study for which we have chosen the firm of Anderson-Nichols. For this study we have to raise a total of \$15,000 of which the State is to reimburse the Town \$12,000 and the Federal Government is to assume the balance of cost which is approximately \$45,000. It should be emphasized that this study is by law to include any and all alternatives to abating the pollution of the Contoocook River. Our Water Pollution Commission will continue to work and advise the Board of Selectmen on the progress of the facilities study.

The Board of Selectmen would like to take this opportunity to thank the town department heads for their devoted service to the town in 1974.

Respectfully submitted,

BOARD OF SELECTMEN
Pertice C. Gaskill, Chairman
David A. Story
Thomas H. Johnson, Jr.

**Report and Recommendations of
HOPKINTON ROAD PLANNING COMMITTEE
to The Selectmen, Town of Hopkinton**

To perform our duties as the Road Planning Committee as directed by a vote of the Town, we have carefully inspected the roads in the Town and submit the following recommendations:

1st priority for TRA improvement:

Briar Hill Road from and including School House hill to the Dahmen residence including the approach from the Broad Cove road—to improve a very dangerous intersection used by a school bus.

Future consideration for TRA funds would include Kearsarge Street from Contoocook Village to the back entrance to the Hopkinton Fair grounds.

1st priority for Town construction funds would be:

South road from overpass of I-89 north to Hopkinton Village and a portion of the Turnpike road from the intersection of the Brockway road north for two to three hundred yards.

Future consideration for this fund would be to raise the grade and surface the Dustin road starting at the Tyler corner and going west by stage construction. Also improvement of the grade at the old railroad crossing near the Pope residence on the Penacook road, elimination of the sharp curve near the Lawrence Boutwell residence on the Penacook road, elimination of the sharp curve on Spring Street near the swamp, the raising of the grade and surfacing of Spring Street west of I-89 by stage construction.

During our tour we noted that the following roads would be improved with more gravel and better drainage:

Patch road	Broad Cove road
Irish Hill road	Spring St. near Clement Hill Rd.
Clement Hill Rd. (north end)	Camp Merrimack road
Brockway road	

As a whole we found the surface conditions at the time of our inspections to be very good and noted considerable improvement of the general conditions over the past few years.

With the knowledge that at the State level the cost of highway work has increased 38% this last year, we realize that careful planning is necessary to even keep the maintenance of what we have. With this in mind our recommendations are not in the form of criticism but only our opinion as to where more improvement would help as funds permit.

Road Planning Committee

Bruce Ellsworth
Richard Brunel, Sr.
Martin Verville
Harry Parker, Chairman

REPORT ON THE PROPOSED REFUSE DISPOSAL FACILITY

Pursuant to an article in last year's warrant, the Selectmen have considered a number of alternatives to bring Hopkinton into compliance with a State order to cease operation of its present dump facilities. The alternatives available are:

1. Sanitary land fill
2. Recycling plant
3. Combination sanitary land fill—recycling plant
4. Contract with another town or city having such facilities.

Based on the information available, the combination sanitary land fill-recycling plant appears to be the most economical and efficient of the alternatives. This method will permit maximum utilization of land and could produce some revenue to the Town. The amount of revenue which will be produced is difficult to estimate since the market for the recycled materials has fluctuated widely over the past year. However, even if there is no profit from the operation, there is certain to be some revenue which can be used to defray costs of the overall refuse disposal facility.

The Selectmen have considered the desirability of entering into an agreement with other towns to share costs and revenue. The advantage of joining with another town or towns is to reach the optimum population base to operate a land fill-recycling facility. To this end the Selectmen have met with representatives of a number of towns to determine their interest.

Of the towns close enough to make operation feasible, Webster has the best potential for three reasons: First of all, Webster has shown serious interest in working with Hopkinton to share costs. Secondly, the combined populations of Webster and Hopkinton are about right for the economical operation of the facility. Thirdly, Webster is ideally located to utilize the facility without undue use of Hopkinton's roads.

The Selectmen have reached a tentative agreement with Webster on a proposed contract subject to the approval by the voters of both towns. The essential provisions of the Agreement are that ownership of the facilities, expenses of operation, and revenue are shared on a per capita basis between the towns, but budgeting control is retained by the voters of each town. The day to day management and operation will be directed by a Refuse Disposal Committee, made up of two citizens from each town, subject to the joint supervision of the Selectmen from both towns. The complete text of the Agreement is printed below.

REFUSE DISPOSAL AGREEMENT

WHEREAS the Towns of Webster and Hopkinton are currently under an order to cease operation of their existing refuse disposal facilities;

AND WHEREAS the Towns of Webster and Hopkinton desire to enter into an agreement to share the costs and benefits of a refuse disposal facility for the welfare of the citizens of both towns;

AND WHEREAS the Towns of Webster and Hopkinton desire to retain direct budget control over such facility;

IT IS HEREBY AGREED under the provisions of NH RSA 53: A as follows:

1. There is hereby established a Refuse Disposal Committee which shall consist of two citizens from Webster and two citizens from Hopkinton who shall be appointed by the Selectmen from their respective towns. Initially, the Selectmen from each town shall appoint one member to a one year term and another member to a two year term. Thereafter each Board shall appoint one member to a two year term annually. In the event of a vacancy, the Selectmen of the Town whose position is vacant shall appoint a member to fill the unexpired term.

2. The Refuse Disposal Committee shall, subject to the joint supervision of the Selectmen of the towns who are parties to this agreement, have the power and duty to plan, develop, manage and operate the refuse disposal facilities and to expend the joint funds appropriated for such purpose.

3. All costs of land, construction and operation of the refuse disposal facility shall be shared on a per capita basis between the Towns of Webster and Hopkinton. Ownership of the land and facilities and all revenue derived therefrom shall be shared between said Towns on a per capita basis.

4. The facility shall be constructed on the premises purchased by the Town of Hopkinton for the purpose from Robert H. Roby.

5. Another city or town may be admitted as a party to this agreement but only on a majority vote at a duly called Annual or Special Town Meeting of each of the towns who are then party to the agreement.

6. This agreement may be amended at any time but only upon a majority vote at a duly called Annual or Special Town Meeting of each of the towns who are then parties to this agreement.

7. The procedures for the preparation and adoption of an annual budget shall be as follows: The Refuse Disposal Committee shall prepare a proposed annual budget and apportionment between the towns which are parties to this Agreement. The proposed budget and apportionment shall be submitted to a joint meeting of the Selectmen of all towns which are parties to this Agreement. The Selectmen by majority vote of those present and voting (a quorum being present), may accept or modify the budget and apportionment. A quorum shall consist of a majority of the members of each board of selectmen. The budget share for each town shall then be submitted to the

Budget Committees of each town for action in accordance with RSA 32. In the event that a town should fail to appropriate the funds approved by the joint meeting of Selectmen in its annual budget, then the right of that Town and its residents to use the facilities or share in any benefits thereof shall terminate 90 days after the date of such town's failure to so appropriate, unless the towns party to this agreement mutually settle such impasse during such 90 day period.

8. The Refuse Disposal Committee shall have the authority to permit other towns who are not parties to this agreement to lease the use of the refuse disposal facilities in common with the parties hereto, on such terms and conditions as it finds are in the best interest of the towns who are parties to this Agreement.

9. Any town may withdraw from this Agreement after written notice to the Selectmen of all towns party to the Agreement given at least one year prior to their next annual town meeting. Upon any such withdrawal, the current fair market value of the equity of the withdrawal town in the real and tangible personal property comprising the facility shall be appraised by the Property Appraisal Division of the State Department of Revenue Administration and such sum repaid to the withdrawing town in installments over a term not to exceed 10 (ten) years without interest.

10. The annual population census figures of the State of New Hampshire Department of Comprehensive Planning shall be used to determine the per capita shares of the Towns which are parties to this Agreement.

POLICE DEPARTMENT

Keeping in mind that each community has the constitutional responsibility to establish and maintain an adequate police force to ensure that people have a sense of security and are free from perpetual fear of crime, we have again this year focused on our program of preventive law enforcement in specific areas of criminal activity and motor vehicle violations for the protection of our residents to minimize crime and promote good traffic safety to lessen personal injury, property damage and save lives.

In 1974 we attempted our crime prevention program on three fronts of increased activity — burglaries and other criminal violations, reduce or maintain our low accident rate, and juvenile criminal cases. I feel we generally succeeded in the first two areas, but we did not reach our goal in the juvenile criminal problems. Total criminal cases for 1974 were held to almost the same total number as the previous year, as compared to a sharp increase in 1972-73. Business and resident burglaries were down from 1973. In May of 1974 we sponsored a two evening Burglary Prevention Seminar, one evening for residents and the other for the business community. Many residents and business people attended to see displays and hear representatives of door and window lock companies, insurance agents, alarm companies and Police department personnel who advised what the police are doing to prevent burglaries and to solicit citizen assistance in protecting their residences. One important continuing part of the program is "Operation Identification," which allows residents to borrow an engraving tool from the police department to engrave your driver's license number on valuable items and upon return of the engraver, stickers for the door of your home are issued to advise prospective burglars "all items inside have been permanently engraved with identifying numbers." Also valuable as part of the program are specially printed booklets to advise residents on other measures to discourage burglaries. In 1974 we had over 200 requests from residents to check their homes while they were away. These requests ranged from one day to four months of vacancy, thus giving us approximately 15-20 of your homes we were checking daily. While this creates a time consuming burden on the department, it has proved to be valuable as of the 200 homes checked through the year only one of these homes was burglarized, thus proving the program works. We again ask for your assistance in protecting your homes and personal property by calling this department when you leave your homes unoccupied for vacations or extended trips, so your home may be checked daily for burglary, vandalism or other problems.

Motor vehicle accidents increased over our all time low of 1973, but did not reach the high figures of previous years. Holding to this low accident rate was accomplished, despite increased town population and heavy usage of highways in Hopkinton in 1974, due in part to increased enforcement of motor vehicle laws in high accident areas and areas of citizen complaints, by using the high visibility factor of marked police cruisers and use of our new

radar system which allows us to record vehicle speeds not only by the old stationary method but also checking vehicle speeds while the cruiser is on routine patrol. Along with a slight increase of summons issued for motor vehicle violations in 1974 we also gave over twice as many warnings for motor vehicle violations as summons to court. In order to maintain the reduction of motor vehicle accidents which cause serious personal injury, property damage and deaths we need residents' cooperation. We greatly appreciate the citizen cooperation given us in obeying traffic laws in 1974 to meet this goal. It should be noted that the accident and highway fatality rate in New Hampshire climbed to an alarming rate in 1974, with Merrimack County having the sad distinction of recording one of the highest death rates in 1974. However for the second year in a row there were no fatalities in Hopkinton.

In our third area of priority for 1974, juvenile criminal cases, I feel we did not meet our intended goal to attempt to halt the rapid increase of juvenile problems in Hopkinton as shown by a marked increase again this year. Realizing the problem is still with us we have made preparations, with the financial support of the Governor's Commission on Crime and Juvenile Delinquency, to institute the "Officer Bill" program, a complete, tested and proven police program for the lower elementary grades. Plus making "friends" with the children, "Officer Bill" teaches them safety rules, respect for parents and teachers, about good people and bad people, etc. and explains the role of the police officer in a "let's get acquainted" manner. This program will be given by Officer Wayne Peasley, who has also been assigned the task of being the department's juvenile officer to combat the rise in juvenile delinquency in our town. Along these same lines we will again be continuing the summer Police Cadet program in 1975 as we have since 1971, by hiring teen-agers between 17 and 19 to work for the 10 week summer school vacation learning all phases of police work and riding with duty officers in the cruiser. This program is also completely funded by the Crime Commission. We will also begin our third year of sponsoring, and actively running, a police explorer post for young adults between the age of 15 and 20. We presently have 15 young people in the post. Off duty time was spent by officers of this department at weekly post meetings, camping trips, field trips and teaching members in photography, fingerprints, firearms, crime scene investigations, traffic law enforcement etc. This has proved to be very rewarding for your police officer to remind us of the interest and intelligence of the youth of today. And that someday soon they will be the adults of this country. The members of the Post are presently attempting to raise money to visit a large city police department, such as New York City or Washington D.C. Members of the Post also attended a week long basic police academy in June, sponsored by the N. H. Police Chiefs Association. All time spent by police officers is off duty time, with no expense to the town.

It is important that residents and parents of Hopkinton concern themselves with the problem of juvenile delinquency, and take an active part in solving these problems. Parents can help by knowing, at all times, where their

children are, who they are with and what they are doing. We need your help. Parents should accept the majority of their supervisory responsibility. In 1975 we will increase our effort in the entire area of the Juvenile delinquency problem. I don't feel we can accomplish this job alone, we need the help and suggestions of our residents. Please feel free to contact Officer Peasley or myself with your thoughts or suggestions. We will be more than happy to meet with individuals or groups on this particular problem, or any other matter.

The school crossing guard program operated successfully for the seventh year, under the capable direction of Mrs. Pertice Gaskill and Mrs. Dearborn Bailey, who are paid a token fee for this valuable service.

To keep abreast of the rapidly changing laws and our ever changing society, and to better serve you as professional police officers Chief Hargrove, Sgt. Jordan, Officers Peasley, Facticeau, and Carruthers continued attendance at St. Anselm's college in Manchester, on their own time. Officers Peasley and Carruthers having earned their Associate degrees in law enforcement, are now continuing to work toward their Bachelors degree. Chief Hargrove attended a three week school on Police Management held at Babson College in Wellesley Massachusetts and a one week school in Durham, N.H. on Death/Homicide investigations. Sgt. Jordan, along with attending St. Anselm's college, attended a one week school for advanced police officers in Concord, one week at the F.B.I. academy, and two days on photography and radar instruction. Officer Peasley, along with earning his Associate degree from St. Anselm's college in 1974, attended a one week school on Basic Fingerprints and a one week school on advanced Fingerprint detection run by the F.B.I. in Concord, one week school on Death/Homicide investigations, and 5 days of schooling on Photography for police and traffic laws. Officer Facticeau along with St. Anselm's college attended a specialized 3 day school in criminal investigations conducted by the F.B.I., a one week school on Narcotics and Dangerous Drugs conducted by the Department of Justice—Drug Enforcement Administration. Part-time officers, Sullivan, Dwinnells, Goodsell, and Carruthers attended a 60 hour course for part-time police officers evenings on their own time. All members of the Department received extensive training in 1974 on our shooting range in use of all police weapons, completed the Red Cross Advanced First Aid course and have all been licensed as certified ambulance attendants by the State of New Hampshire, to better assist at accident scenes and other emergencies, until the well trained ambulance crew takes over. Members of the department also received in-service training at monthly department training sessions.

Over 1700 hours of training and schools were logged by officers of your police department, with 75% of these hours on their own off duty time, with a total cost to the town of less than ten dollars per week, the remaining cost paid by the Crime Commission and the individual officers themselves.

All full-time officers have been made "certified police officers" by the State of New Hampshire, as is now required by law.

Your police department also began acquiring desperately needed new radio equipment in 1974, to replace eleven year old, obsolete, and insufficient equipment. With your support in 1975 we will nearly complete this project. As I'm sure you know good radio communications is the life-line of a police department.

In 1974 the only officer to leave the department was part-time officer Richard Goodsell, who moved from Hopkinton late in the Fall of 1974 and as of yet has not been replaced.

Joining the department in the Spring of 1974 was part-time officer William Gay, of Spring Street, who replaced Officer Ernest Archibald who passed away on December 31, 1973 after 42 years of faithful service to the department.

As goals for 1975 we will attempt to hold down the ever increasing crime rate in all areas, with special attention on the juvenile problems. It would appear that this may be difficult as the latest statistics on crime released by the F.B.I. on 12/27/74 show a crime rate rise of 16%, the largest in the past six years. Broken down by population, towns like Hopkinton with a population of less than 10,000 people reported the largest overall increase in crime of 24%

Even with the increase in crime and services rendered by this department in 1974, and realizing difficult times are ahead for taxpayers to meet living expenses, I have not asked for increased personnel in 1975, but ask for your support, again this year, to maintain the present personnel with appropriate salaries based on their education, dedication, and service to our citizens. To accomplish this I have asked that full-time Office Wayne Peasley's salary (at the lowest pay grade) be included in the 1975 budget. He has been employed full-time for the past two years under a grant from the State Crime Commission which cannot be granted under Commission rules past the two year period.

History in police work has shown, and it is beginning to appear now, that as the economy gets worse, prices rise, and layoffs are common, crime rises to alarming rates. So in these difficult times I must plead for your financial support in 1975.

The Police department, again this year, thanks the Fire department for their assistance at accidents and other emergencies, for their ambulance and well trained personnel, and also to thank them for their matching share toward the Police-Fire Departments scholarship given to a graduating student of Hopkinton High School each year entering the field of public service.

My sincere appreciation is extended to the Board of Selectmen for allowing this department to meet your needs and serve you, without political interference as is unfortunately the case all too often today in public service agencies.

A special vote of appreciation is extended by all police officers of this department to residents for their past support of this department, as

unfortunately a resident's only contact with a police officer may be the issuance of a ticket for a traffic law violation, which is not always a pleasant experience for the receiver. We are sure you understand tickets are necessary to insure safety on our highways.

All residents should feel free to call their police department, on the police phone 746-4211, in case of ANY problem where we might be of assistance, and for information on police matters, or your suggestions which are greatly appreciated.

James P. Hargrove
Chief of Police

REPORT OF THE HOPKINTON FIRE DEPARTMENT

The Hopkinton Fire Department had a very active year in 1974, with 100 fire runs and 124 ambulance runs.

December of 1973, the equipment and tools were moved from our former home of 30 years in Columbia Hall, to the new Contoocook station.

Monday, January 4, 1974, the first meeting was held in the new station.

The Contoocook Fire Station we feel is the most fire proof and easy to work in, as any in the area, many costing far more money.

Many hours of hard work went into finishing the inside of the building and landscaping the outside. Most of the work was volunteer, done by the firemen and by interested and helpful towns people.

Jordan-Milton Corporation donated equipment and the rock to raise up the wall, necessary to protect the gravel fill along the river bank.

Jordan-Milton Corp., H. M. C. Corp., Hopkinton Construction, Johnson Construction, Leavitt Construction, and the 368th engineer's Army Reserves teamed up to provide the loam for the lawn and fill for the parking lot, with Hopkinton Paving Co. providing equipment to haul and lay most of the hot top.

Many thousands of dollars were saved for the taxpayers by the work and equipment donated by the many businesses and individuals.

We of the Fire department wish to again thank all of them.

June 22nd open house was held with a concert by the Hopkinton Town Band. Congressman James Cleveland presented a flag which had been flown over the Capitol Building in Washington, D. C. In the evening a dance was held and enjoyed by many.

We again co-sponsored with the Police dept., a scholarship for a Hopkinton High School Senior and sponsored the Cub Scout Pack 77.

Training program was continued with a drill at least every month and to send 20 men to the State Fire Training School at Lilly Pond and at Meadowwood.

The July 4th celebration and Turkey Benefit in November were both a success. The profits were used to buy equipment for the Department.

Rising heating oil prices have caused many people to use wood stoves and fire places again. This has increased chimney and related fires.

We urge you to check and inspect chimneys before using them. Many are in unsafe condition.

The Fire Department will gladly check over the chimney and stove set up, and advise. We would much rather come to inspect a chimney than come to a chimney fire or worse.

We would like to thank the Police Department and Rescue Squad for their help and cooperation.

Robert Houston
Fire Chief

LOG OF HOPKINTON FIRE DEPARTMENT

November 1, 1973-October 31, 1974

Date	Time	Location	Type of Alarm
Nov. 2	1:30 A.M.	Rt. 127, Webster	Clothes drier
Nov. 9	10:37 A.M.	Rt. 89	Car Fire
Nov. 14	12:30 P.M.	Concord FD	Mutual aid brush fire
Nov. 15	4:23 A.M.	Tyler	Barn – mutual aid from Concord, Bow, Boscawen, Warner, Loudon, Penacook, Webster, Dunbarton, Henniker
Nov. 16	12:00 Noon	Concord FD	Stand-by
Nov. 17	12:01 P.M.	Pine St.	Auto accident and fire
Nov. 20	11:03 P.M.	Tyler	Town dump
Nov. 20	5:20 P.M.	Contoocook Village	Flush gasoline dumped in storm drain
November Ambulance Runs 8			
Dec. 1	1:30 P.M.	Contoocook Village	Chimney fire
December Ambulance Runs 5			
Jan. 7	9:25 P.M.	Concord FD	Stand-by mutual aid warehouse
Jan. 10	6:40 P.M.	Amesbury Park	Lost child

REPORT OF HOPKINTON PLANNING BOARD

Since the adoption of Subdivision Regulations in April 1973, the Planning Board has considered 75 applications to subdivide land. Most have been minor subdivisions involving creation of few new building lots. Since adoption of the regulations, no large scale subdivision has been proposed in Hopkinton.

The Planning Board is still in the process of drafting a master plan for the Town to provide a rationale for land use and future development and provide guidelines for enforcement of the Zoning Ordinance and Subdivision Regulations. Anyone interested in serving on a citizens advisory committee to assist in this project please contact the chairman of the Planning Board.

There will almost certainly be amendments to the Zoning Ordinance proposed at the Town Meeting in March of 1976. Anyone having amendments to propose, please present them to the Planning Board as soon as possible.

Respectfully submitted,

Thomas M. O'Donnell, Chairman
George Bean
Jonathan Clarner
Wayne Patenaude
Eugene Slusser

HOPKINTON POLLUTION COMMISSION REPORT

During 1974, the State Pollution Commission indicated that Federal funding for pollution clean-up of the Contoocook River again became available. The laws have changed since the town commission first began investigating the problem. It is the opinion of the Selectmen and the town commission that from a financial position we have been wise to wait. However, the town is now under order to stop the raw sewerage being discharged into the Contoocook River by the 100 or so houses in Contoocook Village.

As a first step the town must engage an engineering firm to study the problem, evaluate several alternative solutions and recommend one or more specific approaches the town should take to comply with State/Federal regulations. The solution will be arrived at through consultation between the Selectmen, Hopkinton Pollution Commission and the Engineering Firm.

After interviews in October 1974, with five approved engineering firms, the Selectmen and the Hopkinton Pollution Commission agreed to recommend retaining Anderson-Nichols of Concord, N.H. for this project.

At the upcoming March 1975 town meeting you will be asked to appropriate funds to engage Anderson-Nichols to do the study. Under present law, the cost of the study is determined by the State of New Hampshire, with 95% of study costs paid by the Federal Government. (The town cost will be \$15,000; the State to reimburse \$12,000). We urge you to vote yes on this funding article.

We realize that some may feel it unjust to ask the whole town to pay for this problem. However, under the existing laws, the town was served with notice to correct the problem and it appears that under these laws (Public Law 92-500 sec. 204b), the operation and maintenance cost will be paid by the users. It continues to be the town commissions objective to seek the most practical solution to the pollution problem.

It is our estimate that the initial study will be completed by the spring of 1976 with detailed design completed in 1977, followed by facility construction in 1978. Each of these latter phases to be approved by town vote.

Respectfully,
HOPKINTON POLLUTION COMMISSION
Merle L. Thorpe, Chairman
Warren Hedden
Paul S. Otis
Wayne L. Patenaude
Gary B. Richardson
Leland A. Wilder

REPORT OF THE TOWN CONSERVATION COMMISSION FOR 1974

The commission's main effort during 1974 was the presentation at town meeting and the follow-up work needed for the acquisition of 99 acres of land involving 3500 feet of shoreline along the Contoocook River, starting at the Concord Town line.

The project is being financed 50% by the Town and 50% by the Federal Bureau of Outdoor Recreation. The total cost is \$26,200 of which one half will be paid by our Town. A series of difficulties involving the appraisal, deed approval by the Town attorney, and project approval routine have delayed the final conclusion of the project, expected before March 1, 1975.

The Commission acknowledges with gratitude the land surveying and abstracting work done by the New Hampshire Fish and Game Department. Through their efforts a 28 acre piece of land was discovered that had been off the tax rolls for many years.

The Commission also approved by majority vote efforts of petitioners to have the Town place Old Putney Hill Road in the scenic road category.

Respectfully Submitted,
Dr. Bascom Johnson, Chairman
Walter Dwyer
Perry Hayden
Allen Lewis
Hilbert Siegler

REPORT OF THE RECREATION STUDY COMMITTEE

The Recreation Study Committee was appointed by the Selectmen in accordance with the instructions of the Town Meeting in March of 1974. The Committee held its organizational meeting in May. Members of the Committee included the three Georges Park Commissioners, Mrs. Gail Heil, Elden Carruthers and Richard Symonds. Others appointed were Mrs. Barbara Boatwright, Charles G. Douglas, III, Douglas H. Brown and Thomas H. Johnson, Jr.

Several tasks were identified for the Committee to accomplish. These included:

1. Determine the most reasonable way to use the funds appropriated by the Town.
2. Explore how Georges Park and other community properties could best be organized to provide good recreational opportunities for the Town.
3. Take a long look ahead and attempt to define a plan of action to meet Hopkinton's recreational needs.
4. Identify ways the Committee could work with other community agencies, in particular the School District and the Community Center.
5. Look at the feasibility of recommending the establishment of a formal town recreation committee.

In order to achieve these tasks the Committee undertook several activities. One of the first was to consult with the Community Recreation Services Office of the State of New Hampshire. This led us to conduct a random survey of the recreational interests and attitudes in the Town. The general trend of the survey results showed a wide range of community recreational interests. High on the list were such activities as ice skating, swimming, tennis, bicycle paths and volleyball. We will further elaborate on how we expect to deal with these and other items in an additional report to be presented at the Town Meeting.

In addition to the survey a public meeting was held. (It is our intention to hold more of these in the future.) At the first meeting the Committee learned of the possible availability of the New Hampshire National Guard to assist in the development of our recreational facilities. At this writing we are awaiting a response to our letter of application for assistance.

The use of the funds appropriated was considered seriously. Federal Funds did not become available to us due to a number of delays and staffing problems in the Concord office. Our application for funds, submitted in July, was, therefore, withdrawn so that we might proceed with some planned activities before being prevented by the weather. Nevertheless, progress has been made. It was decided at the outset that before any significant improvements could be made at Georges Park it was necessary to control traffic flow through the park. A fence has been erected to close off the main area of the Park. Additionally, authorization has been given to the Hopkinton Police to patrol the area and to enforce rules relative to park use. Funds have also been appropriated to construct a hockey rink.

It is the plan of the Committee to present more specific information

concerning our recommendations for the future at the Town Meeting. Adequate and effective recreational facilities are important and valuable to all members of the Community. Your Committee has been working towards achieving this goal in the most reasonable manner possible. We earnestly solicit your support in this endeavor.

Respectfully submitted,

Douglas H. Brown
Chairman

CIVIL DEFENSE REPORT

The Hopkinton Civil Defense has continued to move ahead through the activities of the Rescue Squad which was involved in very few calls in 1974.

We have recently completed a Community Emergency Planning and Operations Plan for the Town of Hopkinton. This took many hours with all department heads contributing to the final plan. This will be published and available to citizens and should better enable us to handle all emergencies.

Major incidents that the Squad was involved with were searches for lost persons, and although there was little activity in other areas, the Squad continued to train and better equip itself for emergencies, if they do occur.

A new rescue boat and motor were purchased and other necessary apparatus, most of which was purchased with funds raised at the annual auction, given as gifts by community church groups, or money given in memory of people deceased. At this time I wish to thank all of the families of departed friends who contributed to this worthy cause.

This will be the final report by myself as your director, as my responsibilities have grown to a point that will not allow the time needed to do the job as it should be done.

Respectfully,

Ronald D. Daniels, Jr. Director
Civil Defense 1974

REPORT OF ANNUAL TOWN MEETING

Moderator, Philip S. Dunlap called the meeting to order at 9 o'clock in the forenoon, and read an attested copy of the Warrant.

Prayer was offered by Rev. C. Perrin Radley.

Article 1: The following was offered by Allen I. Lewis:

I nominate the following Town officers for the term of one year, and move that the Clerk be instructed to cast one ballot:

- Firewards: Leonard L. George, Raymond C. Proctor, Stanley L. White
- Fence Viewers: Alfred N. Chandler, Roy Kimball, George W. Bean
- Tree Warden: Erlon Salsbury
- Weigher: Roger M. Andrus
- Sexton: Bernard G. Foster
- Surveyors of Wood and Lumber: Robert York, Angus P. Derry, Arthur S. Duston

Adopted in the affirmative.

Article 2: The following was offered by Clifford G. Phelps:

Resolved by the town of Hopkinton, in town meeting convened, that the meeting recess its further business proceedings under the Warrant, to reconvene on Wednesday, March 6, 1974, at 7:30 P.M. at Hopkinton High School, the polls, however, to continue open under Article 1 as declared by the Moderator.

Adopted in the affirmative.

Article 3: The following was offered by James Hargrove:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$59,390.00 be, and is hereby raised and appropriated for General Government operation:

A. Town Officers' Salaries	\$22,185.00
B. Town Officers' Expenses	13,612.00
C. Election and Registration Expense	2,000.00
D. Town Hall & Other Town Buildings	8,600.00
E. Employees Retirement & Social Security	11,000.00
F. Central N. H. Planning	1,993.00

Adopted in the affirmative.

Article 4: The following was offered by Luciele Gaskill:

Resolved by the town of Hopkinton in town meeting convened, that the sum of \$49,115.00 be, and is hereby raised and appropriated for the Police Department, (\$41,765.00 operating budget):

A. Cruiser	\$ 3,500.00
B. Contributed by State Tax Commission	3,850.00
C. Town to Raise.	45,265.00
D. Estimated Income from sale of Cruiser	1,000.00

Adopted in the affirmative.

Article 5: The following was offered by Leslie C. Townes:

Resolved by the town of Hopkinton in town meeting convened, that the sum of \$31,665.00 be, and is hereby raised and appropriated for the Fire Department.

Amendment offered by Janet Krzyzaniak:

Amend Article 5 by striking out the amount of \$31,665.00 and in place thereof insert the amount of \$32,665.00, so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$32,665.00 be, and is hereby raised and appropriated for the Fire Department.

Article as Amended was adopted in the affirmative.

Article 6: the following was offered by Arland Bernier:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$3,760.00 be, and is hereby raised and appropriated for the completion of the new Fire Station in Contoocook.

Adopted in the affirmative.

Article 7: The following was offered by Paul A. Perregaux:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$7,035.00 be, and is hereby raised and appropriated for the protection of persons and property:

A. Hydrant Rentals	\$1,500.00
B. Care of Trees	2,200.00
C. Planning and Zoning	700.00
D. Legal Expenses and Damages.	1,300.00
E. Water Pollution Commission	500.00
F. Civil Defense	835.00

Adopted in the affirmative.

Article 8: The following was offered by Lindsay M. Collins:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$15,192.00 be, and is hereby raised and appropriated for Insurance.

Adopted in the affirmative.

Article 9: The following was offered by Charles F. Ross:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$8,790.00 be, and is hereby raised and appropriated for Health Purposes:

- A. Health Department. \$8,000.00
- B. Concord Hospital 715.00
- C. Vital Statistics. 75.00

Adopted in the affirmative.

Article 10: The following was offered by Ervin W. Buttrick:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$4,350.00 be, and is hereby raised and appropriated for Public Works:

- A. Sewer Maintenance. \$ 600.00
- B. Town Dump 3,500.00
- C. Street Lighting 250.00

Adopted in the affirmative.

Article 11: The following was offered by Clifford Phelps:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$98,100.00 be, and is hereby raised and appropriated for Highways and Bridges:

- A. Summer Work \$30,000.00
- B. Winter Work 48,500.00
- C. General Expenses Highways 8,600.00
- D. New Construction 10,000.00
- E. Sidewalk Construction 1,000.00

Adopted in the affirmative.

Article 12: The following was offered by Charles A. George:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,670.00 be, and is hereby raised and appropriated for Town Road Aid (the State to contribute \$11,133.50).

Adopted in the affirmative.

Article 13: The following was offered by Harry Greer:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$8,715.00 be, and is hereby raised and appropriated for Libraries.

Adopted in the affirmative.

Article 14: the following was offered by Arthur O. Lawson:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$8,500.00 be, and is hereby raised and appropriated for Public Welfare:

- A. Town Poor \$4,500.00
- B. Old Age Assistance. 4,000.00

Adopted in the affirmative.

Article 15: The following was offered by Katharine P. Lawson:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,950.00 be, and is hereby raised and appropriated for Recreation and Patriotic Purposes:

- A. Memorial Day \$ 500.00
- B. Hopkinton Community Center, Inc. 450.00
- C. Parks and Playgrounds 1,000.00

Adopted in the affirmative.

Article 16: The following was offered by Donald A. Withers:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$20,000.00 be, and is hereby raised and appropriated for the construction of two tennis courts to be located at George’s Park in Contoocook.

This Article submitted by Petition. This Article submitted without the recommendation of the Budget Committee.

Motion was made by Derek Owen to pass over the Article. Motion failed.

Amendment offered by Lee Wilder:

Amend Article 16 by striking out the amount of \$20,000.00 for the construction of two (2) tennis courts to be located at George’s Park in Contoocook, and insert in place thereof the amount of \$6,000.00 for a tennis court on town land at Kimball Pond, providing equal matching Federal Funds are available and to have the Selectmen appoint a Park Committee to formulate plans for repairs and expansion of facilities at George’s Park. Said

committee to report back to the town at 1975 Town Meeting, so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$6,000.00 be, and is hereby raised and appropriated for a tennis court on town land at Kimball Pond, providing equal matching Federal Funds are available and to have the Selectmen appoint a Park Committee to formulate plans for repairs and expansion of facilities at George's Park. Said Committee to report back to the town at 1975 Town Meeting.

The Amendment failed.

Motion was made to pass over the Article. By a showing of hands, 185 voted to pass over, 86 no.

The Moderator announced that any time later during the meeting, the Article can be taken up again.

Article 17: The following was offered by Douglas H. Brown:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$9,184.00 be, and is hereby raised and appropriated for Cemeteries.

Adopted in the affirmative.

Article 18: The following was offered by Paul A. Perregaux:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$300.00 be, and is hereby raised and appropriated for Conservation Commission.

Adopted in the affirmative.

Article 19: The following was offered by Donald P. Lane:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$9,030.00 be, and is hereby raised and appropriated for Interest:

- A. Temporary Loans \$5,000.00
- B. Long Term Notes 4,030.00

Adopted in the affirmative.

Article 20: The following was offered by Harry C. Parker:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$10,580.00 be, and is hereby raised and appropriated from the General Revenue Sharing Trust Fund to apply toward payment of new Fire Station in Contoocook.

Adopted in the affirmative.

Article 21: The following was offered by Paul S. Otis:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote with reference to Refuse Disposal and the order of the State with reference to the present town dump, including:

1. Enlarging and improving the present facilities so as to comply with State law and regulations, or
2. Authorizing a cooperative agreement for refuse collection and disposal with one or more other towns under RSA 53-A, or
3. Authorizing the establishment of a refuse disposal planning committee under RSA 53-B to work with similar planning committees of other towns and raising and appropriating a sum of money for the expenses of such committee, and/or
4. Taking any other appropriate action with reference to the general subject matter of this article.

Adopted in the affirmative.

Article 22: The following was offered by Mark O. Knipe:

Resolved by the town of Hopkinton, in town meeting convened, that the Town authorize the purchase of a tract of land of 70-80 acres near the present dump site from Robert Roby for the sum of \$35,000.00, the same to be paid in five equal annual installments of \$7,000.00 each with interest at 6% per annum, and also to authorize the Selectmen, acting for the Town, to enter into a written contract with Mr. Roby for this purpose, raising and appropriating the sum of \$7,800.00 for the first annual installment and for land survey and title search.

Adopted in the affirmative.

Article 23: The following was offered by Tom Hebert:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$6,500.00 be, and is hereby raised and appropriated for an engineering study for the development of the Roby Land for sanitary landfill or refuse disposal, in accordance with state law and regulations, the same to be carried on under the supervision of the Selectmen, and to take any other necessary action relating thereto.

Adopted in the affirmative.

Article 24: The following was offered by N. C. Middaugh:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$9,800.00 be, and is hereby raised and appropriated for the purpose

of land acquisition by the Conservation Commission, said land owned by Robert Ehrenberg, located on the Contoocook River, running from the Hopkinton-Concord Town Line westerly along such river.

This Article submitted without recommendation of the Budget Committee. George Foote offered the following Amendment:

I move that Article 24 be amended by striking out the entire motion and substituting therefor:

Resolved by the town of Hopkinton in Town Meeting convened that the sum of \$13,500.00 be, and is hereby raised and appropriated for the purpose of acquiring 100 acres, more or less, of land by the Conservation Commission. Said land owned by Robert Ehrenberg and Mabel F. Davis, located on the Contoocook River running from the Hopkinton-Concord town line westerly along said river.

Adopted in the affirmative.

Joseph S. Ransmeier offered the following Amendment to George Foote's Amendment by striking out the entire amendment and in place thereof substitute the following Amendment:

Resolved by the town of Hopkinton in Town Meeting convened, that the Town raise and appropriate the sum of \$27,000.00 for the purpose of land acquisition by the Conservation Commission, said land owned by Robert Ehrenberg and Mabel F. Davis located on the Contoocook River, running from the Hopkinton-Concord Town line westerly along said river, and the sum of \$13,500.00 of such appropriation to be provided by the Bureau of Outdoor Recreation or from any other available federal source.

Amendment adopted in the affirmative.

The following motion was offered by Clifford Phelps at 11:20 P.M.:

I move to adjourn the meeting this evening to a time 15 minutes after the School Meeting on Friday evening, March 8th, 1974.

Adopted in the affirmative.

At 8:40 P.M. on March 8th, the meeting reconvened, and was called to order by the Moderator.

Article 25: The following was offered by David Connors:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$624.00 be, and is hereby raised and appropriated for the Belknap

and Merrimack Counties Community Action Program, Inc. to maintain and continue the delivery system of services to the poor.

This Article submitted without recommendation of the Budget Committee.

Adopted in the affirmative.

Article 26: The following was offered by Richard T. Deane:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$2,600.00 be, and is hereby raised and appropriated to purchase an automobile for the Town Nurse.

Adopted in the affirmative.

Article 27: The following was offered by Malcolm A. Merrill:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$10,000.00 be, and is hereby raised and appropriated to be placed in a capital reserve fund for the construction of a town garage.

Adopted in the affirmative.

Article 28: The following was offered by Mark Knipe:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,500.00 be, and is hereby raised and appropriated for a Capital Reserve Fund for the replacement of the grader.

Adopted in the affirmative.

Article 29: The following was offered by Barbara G. Fuglestad:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$2,000.00 be, and is hereby raised and appropriated for a Capital Reserve Fund for the purchase of a fire truck.

Adopted in the affirmative.

Article 30: The following was offered by Rupert Irvine:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to designate the so-called Pet Dow Road in its entirety from its junction with Hatfield Road westerly to the Henniker Town Line as scenic under the provisions of RSA 253-17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for town road aid funds under RSA 241:7(1).

This Article submitted by petition.

Adopted in the affirmative.

Edward Leadbeater moved that Articles 31, 32, 33, 34 and 35 be adopted in like manner that Article 30 was adopted, errors and omissions accepted.

Adopted in the Affirmative:

Article 31:

Resolved by the town of Hopkinton, in town meeting convened that the Town vote to designate the so-called Moran Road in its entirety beginning at its junction with Thain Road southerly to its junction of Hatfield Road as Scenic under the provisions of RSA 253:17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as Scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for town road aid funds under RSA 241:7(1).

This Article submitted by petition.

Adopted in the affirmative as stated above, under Article 30.

Article 32:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to designate the so-called Hatfield Road in its entirety from its junction with New Hampshire Highway 202 southerly to the Weare Town Line as Scenic under the provisions of RSA 253:17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241:7(1).

This Article submitted by petition.

Adopted in the affirmative as stated under Article 30.

Article 33:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to designate the so-called College Hill Road in its entirety beginning at its junction with Hatfield Road westerly to the Henniker Town Line as Scenic under the provisions of RSA 253:17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further,

that the Selectmen of said Hopkinton shall, regarding such road or roads designated as Scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7(1).

This Article submitted by petition.

Adopted in the affirmative as stated under Article 30.

Article 34:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to designate the so-called Thain Road in its entirety beginning at its junction with Hatfield Road westerly to its junction with Stumpfield Road as Scenic under the provisions of RSA 253:17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as Scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7(1).

This Article submitted by petition.

Adopted in the affirmative as stated under Article 30.

Article 35:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to designate the so-called Barton's Corner Road beginning at its junction with Hatfield Road westerly to the property of Alfred Gielar where the present road is now discontinued as Scenic under the provisions of RSA 253:17 and 18, for the purposes of protecting and enhancing the scenic beauty of Hopkinton and, further, that the Selectmen of said Hopkinton shall, regarding such road or roads designated as Scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7(1).

This Article submitted by petition.

Adopted in the affirmative as stated under Article 30.

Article 36: The following was offered by R. Wells:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the Board of Selectmen to establish a committee to study the feasibility of adopting the Home Owners Act RSA 39:3 and in the

course of their study, examine and clarify the Act and its effect on the tax structure of the Town of Hopkinton. Said report to be submitted to the Board of Selectmen by January 6th, 1975, so that sufficient time for hearing on this matter be available.

Amendment offered by Gary Richardson:

Amend Article 36 by striking out 'RSA 39:3' and substitute in place thereof 'RSA 72:44-60', so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the Board of Selectmen to establish a committee to study the feasibility of adopting the Home Owners Act RSA 72:44-60 and in the course of their study, examine and clarify the Act and its effect on the tax structure of the Town of Hopkinton. Said report to be submitted to the Board of Selectmen by January 6th, 1975, so that sufficient time for hearing on this matter be available.

The Article as amended was adopted in the affirmative.

Article 37: The following was offered by Derek Owen:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the Board of Selectmen to take all necessary action to prohibit the use of herbicides except when used with the consent of a property owner upon his own land.

This Article submitted by petition.

Adopted in the affirmative.

Article 38: The following was offered by Janet Krzyzaniak:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the pre-payment of taxes and authorize the collector of taxes to accept payments in pre-payment of taxes under the provisions of RSA 80:52-a.

Adopted in the affirmative.

Article 39: The following was offered by Mary Ann Lewis:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the Board of Selectmen to accept in the name of the Town from Harold C. Kimball that portion of land extending southerly from Rollins Road so-called to include all of Kimball's Beach and most of Kimball's Pond subject to the reservations and restrictions with the

easements contained in the deed.

Adopted in the affirmative.

Article 40: The following was offered by Elizabeth M. Collins:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the Selectmen to apply for, contract for and accept future grants of federal or state aid as may be available as the result of emergencies or disasters and to expend such grants for reconstruction of town property without the necessity of holding a special town meeting.

Adopted in the affirmative.

Article 41: The following was offered by Lindsay M. Collins:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to accept from Captain Edwin Kaminski, of this town, and the U.S. Maritime Administration, with the assistance of Senator Norris Cotton, the ship's bell from the S.S. George Dewey. The S.S. George Dewey served with distinction in World War II as a troop ship commanded by Captain Kaminski. The Town to accept said bell and provide an appropriate setting for it as a marine artifact from an historical era.

Adopted in the affirmative.

Article 42: The following was offered by Douglas H. Brown:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to authorize the Town Moderator to appoint a committee for the celebration and observance in 1976 of the 200th year of the founding of our country.

Adopted in the affirmative.

Article 43: The following was offered by M. R. George:

Resolved by the town of Hopkinton, in town meeting convened, that the Town accept the Cemetery Trust Funds as enumerated in the Town Warrant.

Adopted in the affirmative.

Article 44: The following was offered by David E. Hemingway:

Resolved by the town of Hopkinton, in town meeting convened, that the Town vote to accept the following funds:

1. The sum of \$780.00, plus interest to date, from the friends and relatives of Evelyn Rice, the income to be used for a memorial fellowship fund,

available to Hopkinton High School graduates who are entering the field of home economics as a teacher, subject to such provisions as the award committee may direct. Mr. Earl Rice or his designee is to be a member of the committee making the award. Amount of scholarship to be \$100.00.

2. The sum of \$500.00, plus interest to date, from Vivian Martin Mitchell. The income when sufficient to be used for a scholarship known as the Harold M. Martin Memorial Scholarship, and granted to high school graduates who have attended the Harold Martin School and plan to further their education. The committee making the award shall consist of the:

- Principal of the Harold M. Martin School
- The High School Headmaster
- A representative of the School Board
- A representative of the Student Council
- Mrs. Vivian (Martin) Mitchell

and subject to such provisions as the committee and the Board of Trustees of Trust Funds may find applicable thereto.

Amendment offered by Richard Currier to Section 1 of Article 44, by deleting the words 'as a teacher' and by adding the words 'and' and 'other' so that the Article as amended shall read:

1. Resolved by the town of Hopkinton, in town meeting convened, that the Town accept the sum of \$780.00, plus the interest to date, from friends and relatives of Evelyn Rice, the income to be used for a memorial scholarship fund, available to Hopkinton High School graduates who are entering the field of home economics and subject to such other provisions as the award committee may direct. Mr. Earl Rice or his designee to be a member of the committee making the award. Amount of scholarship to be \$100.00.

Article as amended was adopted in the affirmative.

Article 45: The following was offered by Harry Parker:

Resolved by the town of Hopkinton, in town meeting convened, that the Town accept the following funds added in 1973 to the principal of the present accounts:

1. The sum of \$6.18 for fractional rights sold and added to the principals.
2. The sum of \$142.50 added to the Glenn M. Haselton Memorial Library Fund.
3. The sum of \$50.83 added to the Helping Hand Fund.

4. The sum of \$134.94 added to the Jessie Gould Memorial Scholarship.

Adopted in the affirmative.

Article 46: The following was offered by Leland A. Wilder:

Resolved by the town of Hopkinton, in town meeting convened, that the Trustees of Trust Funds spend the income on the G. Everett Kelley Fund for the Hopkinton Free Public Library.

Adopted in the affirmative.

Article 47: The following was offered by Gary Richardson:

Resolved by the town of Hopkinton, in town meeting convened, that the Selectmen be authorized to borrow money in anticipation of the 1974 tax levy.

Adopted in the affirmative.

Article 48: The following was offered by Charles G. Douglas III

Resolved by the town of Hopkinton, in town meeting convened, that the reports of the Town Officers, Trustees, and Committees for 1973 be accepted as printed in the Town Report, errors and omissions excepted.

Adopted in the affirmative.

Article 49: Derek Owen having voted in the affirmative to pass over Article 16, previously, now asked for reconsideration of Article 16. The Moderator called for a voice vote, and the vote was favorable.

After much discussion, the following Amendment in its entirety and substitute the following:

Resolved by the town of Hopkinton, in town meeting convened, to authorize the Selectmen of the town to appoint a Park Commission consisting of seven members, including the three current Park Commissioners of the Precinct of Contoocook, and to appropriate the sum of \$5,000.00 to said commission for the purpose of studying and improving the recreational areas of the town, including George's Park, and in addition thereto, said commission to apply for and expend matching federal funds, to arrange for legal expenditures of town funds in George's Park, and to issue report to the 1975 Town Meeting of its activities and the need for any further activities by it.

Article as amended was adopted in the affirmative.

Mrs. John French moved that Mr. Harold C. Kimball be given a vote of thanks as an expression of gratitude for his gift of land at Kimball Pond.

Dr. Berliner made motion that the people of Hopkingon go on record as being opposed to an oil refinery in Durham. Adopted in the affirmative.

The Moderator gave a report of the March 5th balloting and officers elected, as follows:

Total ballots cast 913

Selectman for Three years:	
A. David Dufault	280
Thomas Johnson, Jr.	612
Town Clerk: David B. Packard	821
Treasurer: Owen L. French.	798
Tax Collector:	
Olive M. Moyer	441
Sue B. Strickford	463
Budget Committee for Three years:	
Charles A. George.	677
James P. Hargrove	613
Overseer of Poor:	
George L. Fitts, Jr.	201
Barbara S. McCabe.	658
Trustee of Trust Funds for Three years: Richard T. Deane	718
Library Trustee for Three years: Jessie H. Brown	803
Cemetery Trustee for Three years: John D. Sullivan	778
Auditor for Three years: John D. Sullivan	769

The Moderator then declared the following elected:

- Selectman for Three years, Thomas Johnson, Jr.
- Town Clerk, David B. Packard
- Treasurer, Owen L. French
- Tax Collector, Sue B. Strickford
- Budget Committee for Three years, Charles A. George and James P. Hargrove
- Overseer of poor, Barbara S. McCabe
- Trustee of Trust Funds for Three years, Richard T. Deane
- Library Trustee for Three years, Jessie H. Brown
- Cemetery Trustee for Three years, John D. Sullivan
- Auditor for Three Years, John D. Sullivan
- Firewards: Leonard L. George, Raymond C. Proctor, Stanley L. White
- Fence Viewers: Alfred N. Chandler, Roy Kimball, George W. Bean

Tree Warden, Erlon Salsbury
Weigher, Roger M. Andrus
Sexton, Bernard G. Foster
Surveyors of Wood and Lumber: Robert York, Angus P. Derry, Arthur S. Duston

For Delegate to the Constitutional Convention:

Thomas G. Astles, Hopkinton	373
George W. Bean, Hopkinton	224
Philip D. Bell, Jr., Hopkinton	277
Charles G. Douglas, III, Hopkinton	267
Dorothy S. Grubbs, Hopkinton	102
John J. Hine, Hopkinton	25
Donelda E. Horne, Hopkinton	66
Robert O. Nichols, Hopkinton	44
Constance T. Rinden, Hopkinton	82
Roland E. Roy, Hopkinton	72
Kurt M. Swenson, Hopkinton	172

There being no further business to come before the meeting, the Moderator declared it adjourned at 11:20 P.M.

David B. Packard, Town Clerk

Notes to Financial Statements

(1) Tract of slightly less than one acre on Old Putney Hill Road conveyed to Precinct for use of Water Department by Hopkinton Village Aqueduct Association in 1974.

(2) Remaining balance to become due to L. K. Ladd Inc. upon final completion and clean-up of Old Putney Hill Road project is \$2,757.56.

(3) This income statement does not treat the payments made on principal of debt during 1974 as expense. Such payments during the year were \$4,925. Cash to meet this obligation was substantially provided by net income and depreciation, which together aggregated \$4,556.41.

Respectfully submitted

Joseph S. Ransmeier

Treasurer

Hopkinton Village Precinct Water Dept.

HOPKINTON VILLAGE PRECINCT REPORT OF THE WATER BOARD

The year 1974 was an important one for the Water Department. As we reported to the Precinct last year, the condition of the old main between the Village square and the old Putney Hill well field, from which customers along Route 103 and also along West Main Street and the Old Putney Hill Road were served, had become so bad that it had to be replaced. This was the last main still in service which the Water Board had taken over from the old Hopkinton Village Aqueduct Association in 1962.

When the Water Department was created, the engineering firm of Camp Dresser & McKee in Boston was employed to prepare a comprehensive long-range plan for the development of our water system. Camp Dresser emphasized to us that a well-planned waterworks must have three elements: an adequate water source, adequate mains, and a place of water storage above the area served from which water can be drawn during periods of power outages or when heavy flows may be required for purposes of fire protection. Our initial system, installed in 1963, was a step toward such an ultimate system. An abundant water source was located after drilling a number of test wells at different locations around the Precinct, a gravel packed well was installed to exploit this source, and a large main which would be suitable for use in our permanent system was laid between the new well and the Village Square where it was connected with the old Aqueduct distribution plant. Subsequently a six-inch main was extended out the South Road, the old lines along Main Street were replaced, and several extensions were installed by which service was made available throughout most of the Precinct. To finance these improvements the Water Department received various contributed funds, as appears on its accompanying financial statement and also borrowed a total of \$98,500 of which it has already repaid \$44,625 and the remaining \$53,975 is being repaid at the rate of \$4,925 each year.

The replacement of the Old Putney Hill main presented the Water Board with a difficult problem. The Camp Dresser & McKee plan called for it to be replaced by two lines. One was to be a major transmission main along West Main Street and the Old Putney Hill Road leading toward the designated site for elevated storage for our system which is up the Old Putney Hill Road where a ground-level concrete vault facility can be built relatively close to the village but at an elevation well above the homes of all of our customers. The other would be a separate line leading from the Village Square out Route 103. An alternate scheme to the Camp Dresser plan would have simply installed a new small line cross-country, roughly along the location of the old line. The Water Board consulted again with Camp Dresser as to these two alternates and was advised in the strongest terms to follow the original plan. Among the reasons for preferring it to the small-diameter cross-country main were the following:

(1) The increasing severity of the national energy crisis made it prudent for the Precinct to take advantage of this opportunity to make a major stride toward the goal of providing in our water system the safety element of a reserve of elevated storage. Such storage would not only serve a fire protection purpose but perhaps equally important it would give our community several days of assured supply of water for domestic purposes in the event of loss of electric power at our pumping station. This required a ten-inch main along the West Main Street-Old Putney Hill Road route leading toward the elevated storage site. Other communities served by public water supply systems uniformly have water in elevated storage available for emergencies. We should provide it as soon as we can in Hopkinton.

(2) New water mains should be laid within the right-of-way lines of the public streets, and this is where publicly-owned water mains are customarily laid. It was at best doubtful that the Precinct had the legal right to install a new line in the location of the old one. In any event, maintenance along the street, where the line is readily accessible to equipment, is convenient and economical whereas maintenance along the old route at any time, and particularly in the winter, would be difficult and costly.

(3) A new main along the street is adapted to serve any premises along the way, on either side whereas the old route was inaccessible to new customers. It also would have involved retaining in service extremely long service lines to existing customers, some in poor repair, which again would have involved continuing maintenance problems.

(4) A new main along the street is well adapted to the future addition of fire hydrants whereas a main following a cross-country route is useless for this purpose.

(5) A two or three inch diameter cross country main would have involved a very major investment since the cost of excavating the ditch in which to lay the main, rather than the pipe itself, is the major element of the cost involved. Yet this heavy cost incurred for such a main would have contributed nothing to the permanent improvement of the waterworks system.

When the Water Board decided to recommend to the Precinct that it go forward with installation of a large transmission main along West Main Street and out the Old Putney Hill Road, it recognized that the cost involved would be substantial. It therefore called upon the Directors of the old Hopkinton Village Aqueduct Association to sell a portion of the land which the Aqueduct had retained when the Precinct took over the local water supply function in 1962 under an agreement whereby such land was held for the benefit of The Water Department and would ultimately be sold and its proceeds paid over to the Department to finance waterworks improvements. It was the Department's hope that such funds would finance the project, but authorization was also obtained at the Precinct meeting for the Board to

borrow up to \$10,000 to supplement monies received from the Aqueduct up to a combined total of \$25,000.

Before the Aqueduct Directors could sell the land involved, they first had to subdivide it and obtain necessary authorization from the Town Planning Board to convey a small tract out of it to the Precinct Water Department to serve as the site of the ultimate elevated storage reservoir. When this had been done, the remainder was then offered for sale through King's Arrow Realty Co. and the Concord Multiple Listing Service. Meanwhile, the Water Board prepared plans and specifications for the project and sought bids for the materials required and for the installation of the pipe. In each case quotes were sought for both the preferred ten-inch line and also for the alternate two-inch cross country main. On August 12 bids were opened for installation of the pipe, and four bids were received for the ten-inch line along its proposed route but each of the bidders refused to enter a bid for the cross-country line. One said it was "not recommended," and another that he would undertake it only on a cost-plus bases. After some negotiations, L. K. Ladd, Inc. of Concord adjusted its original bid for the installation of the ten-inch main from \$11.00 to \$9.00 per foot, giving an indicated cost, before ledge removal, for installation of pipe plus materials of \$23,550. This was an attractive figure in the light of prevailing costs and was within the appropriation at the Precinct meeting although little leeway was left to cover ledge and incidentals.

The Ladd bid was to be kept open until September 9 while the Aqueduct Directors completed their land sale. Unfortunately, during this period the real estate market began to collapse with the slide in the stock market and when the land had not been sold by September 9, Mr. Ladd extended the bid period to October 9. At length the Aqueduct directors obtained one informal offer of \$25,000 for the parcel they wished to sell. This corresponded to its appraised value (and exceeded the Tax Commission's recent reappraisal of the entire tract, before subdivision, of \$24,300) but would not have allowed them to recover their expenses incurred in the transaction, including the appraiser's fee, expenses of subdivision and advertising the property for sale, and still turn over to the Water Department the full \$25,000 appropriated for the work. All efforts to get this offer increased failed, and when the Directors came to consider seriously accepting it, as submitted, adverse developments in the securities markets led the party who had submitted it, to withdraw it. At length, on October 7, when it appeared that no other purchaser could be found, Joseph Ransmeier submitted an offer of \$25,400 to the Aqueduct Directors which they then accepted. This provided \$400 to cover the Aqueduct's various expenses and the net sum of \$25,000 was turned over to the Water Department to finance its waterworks improvement program. The Ladd contract was signed by the Water Board on the same day.

By early December the new main was installed and in service. The total cost expended to date is \$24,277.48, and a final installment of \$2,568.04 will

become due to the contractor on completion of final clean-up in the spring, making the total project cost \$26,845.52. The excess over \$25,000 is accounted for by two items which exceeded our advance provision: (1) the length of trench and pipe required was 1690 feet rather than 1650 as originally measured, costing an extra \$525.60 before ledge; (2) the cost of ledge removal was \$2,445.60 whereas our budget provided only \$1,000 for this.

All customers along the new line have elected to take service from it with one exception. This customer refused to make connection to it when his curb box was set, indicating that he would do so in the spring and in the meantime would continue to take service from the old line. Since a major purpose of the Water Board was to avoid the cost and responsibility of maintaining and repairing the old line during the winter, and since the new line was readily available to him, the Board was unwilling to agree with him that it would continue to serve him from the old line during the winter, thereby committing itself to maintenance of hundreds of feet of badly deteriorated main for his sole benefit. Accordingly, it notified him that the old line (beyond the last service connection to a Route 103 customer) would be formally abandoned on December 31, 1974 and, although he could continue to take water from his connection to it during the winter at his own risk so long as it remained operable, he would be discontinued as a water customer on that date if he had not by then connected to the new main. He did not make such a connection and has therefore been discontinued as a customer. However, he has since then continued to receive water from the system at his own risk and at no charge to him.

Much of the old line has now been shut off, and its elimination has been accompanied by a dramatic decrease in our daily pumping time (from typically about seven hours or so during the winter to about two and a half hours). As a result, in January, 1975 our power bill was sharply reduced despite the increase in electric rates which went into effect during that month.

Looking to the future, the remainder of the old cross-country line should now be replaced, and the Water Board has requested funds in its 1975 budget to accomplish this at an estimated cost of about \$8,000. It proposes to finance this by a 1975 bond issue of \$10,000 which will also provide \$1,845 to pay off the excess cost of the 1974 project above the contribution received from the Aqueduct Association. The carrying cost of this new debt will require a water rate increase of about ten percent. Although the Water Board is not happy to have to increase its rates, it would call to the Precinct's attention that there has been only one increase in water rates since 1962 which was also about ten percent. This is certainly a record matched by very few other utilities, or business enterprises of any sort, for that matter, and in the meantime the financial position of the Department has become steadily stronger.

Looking to the longer future, the Water Board senses a possibility that federal assistance may become available to assist in financing the final stage of the development of our village water system, namely, the completion of elevated storage (by which we mean ground-level storage in a concrete vault at an elevation above the village) and the installation of adequate mains for fire flows, with hydrants attached, in sections of the Precinct not now so served. This is a matter the Board plans to investigate in 1975.

The Water Board is aware of much confusion and misunderstanding concerning the 1974 construction program and for that reason has made this unusually detailed report concerning it. Each of us would, of course, be glad to respond to any further questions by any Precinct resident concerning the Water Department. In that regard, we would respectfully call to your attention that it is the Water Board, rather than the Precinct Commissioners, who have responsibility for the Water Department. This independent character for the Water Department was provided at the time that it was created in order to be sure that tax dollars would not be diverted from the Precinct taxpayers to support its operations, and similarly to assure to water users that they would not be saddled in their water bills with costs of Precinct functions having nothing to do with water supply. This separation of responsibility is a sound principle which should be jealously protected and preserved.

Respectfully submitted,

Robert Soucy
Alan Strang
Peter Dwyer

**The State of New Hampshire
Hopkinton School District
SCHOOL WARRANT**

To the inhabitants of the School District in the Town of Hopkinton qualified to vote in district affairs:

You are hereby notified to meet at the Hopkinton High School Gymnasium on the fifth day of March 1975 at 7:00 o'clock in the afternoon to take action upon the following subjects:

1. To see if the District will authorize the School Board to make application for and accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1975-76.

2. To hear reports of agents, auditors, committees and officers chosen and to take any action relating thereto.

3. To choose agents, auditors or committees in relation to any subject embraced in the warrant.

4. To see if the District will vote to raise and appropriate the sum of five thousand dollars (5,000.00) as a contingency fund or to take any other action relative thereto.

5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

6. "To see if the Hopkinton School District, in meeting convened, will vote to instruct the Hopkinton School Board to distribute or make available to the voters a bonafide copy of the final School District Budget no later than January 15 of any year, preceding the regular School District meeting of the same year, and further that such distribution or availability shall apply to any special or interim School District meeting, with provision that the final budget for presentation to a special or interim School District meeting shall have been distributed or made available 45 days before such special or interim School District meeting." By Petition

7. To transact any other business that may legally come before said meeting. Given under our hands at said Hopkinton this 12th day of February 1975.

Lawrence W. Scammon, Jr.

George A. Langwasser

HOPKINTON SCHOOL DISTRICT PROPOSED BUDGET 1975-76 EXPLANATION

CATEGORY 100 ADMINISTRATION

Categorical Breakdown	Adopted 1974-75	Proposed 1975-76	Change
110 Salaries	1,410	1,615	+205
135 Contracted Services	300	300	no change
190 Other Expenses	1,875	3,715	+1,840

Reasons for change: (1) The increase in salaries reflects an increase for the treasurer and auditors bringing the salaries to an average salary for the area. (2) Other expenses for administration are increased in several areas including advertising, New Hampshire School Boards Association dues and travel out of the Union but the major increases are in legal fees and treasurers supplies. The substantial increase in legal fees provides for negotiations service wherein a professional contract will be drafted containing the necessary details of policy and procedure. Price increases in control cards, checks and postage bring about the increase in treasurer's supplies.

CATEGORY 200 INSTRUCTION

210 Salaries	591,773	641,662	+49,889
215 Textbooks	6,792	8,000	+ 1,208
220 Library and Audio Visual	11,859	13,279	+ 1,420
230 Teaching Supplies	37,500	41,080	+ 3,580
235 Contracted Services	5,319	7,065	+ 1,746
290 Other Expenses	37,610	42,809	+ 5,199

Reasons for change: (1) The increase in salaries is based on the salary schedule adopted for 1975-76 and negotiated increases for Aides and Secretaries with no additional teachers but a full-time library Aide for the Elementary schools added in addition to another part-time Aide at the Maple Street School. There is payment included for the Acting Principal for the extra weeks required and payment for department heads for extra responsibility and time required. (2) Textbooks are increased from last year reflecting a 12% to 25% increase in printed matter and including new text series in Bookkeeping, Electronics, German II, French II, Biology, Physics and Social Studies. (3) The library and audio visual accounts reflect increased prices in prepared materials, tape and supplies plus the inflated prices for periodicals. (4) The area of teaching supplies has been hardest hit by inflation as paper products, consumable science supplies, lumber and food have increased substantially. (5) The increase in contracted services is brought about by handicapped legislation requiring more testing and psychological evaluation and the second increase is in Driver Education

reflecting more hours of instruction with increased participation. (6) Other expenses of instruction show minor increases in dues, graduation expense, travel and health and life insurance but the major expense increase comes about through the New England Association of Schools and Colleges evaluation of Hopkinton High School necessitated every ten years.

CATEGORY 300 ATTENDANCE SERVICE

310 Salaries	1	1	no change
--------------	---	---	-----------

CATEGORY 400 HEALTH SERVICE

490 Other Expense	3,125	7,105	+ 3,980
-------------------	-------	-------	---------

Reasons for change: (1) Although there are small increases in first aid supplies for the nurse and athletics the major increase is in Concord Mental Health services wherein psychological counseling services have been budgetarily reinstated in the High School for next year and speech correction and/or therapy previously provided by Title I E. S. E. A. is now a district obligation and additional time is therefore budgeted to provide this service for elementary children.

CATEGORY 500 PUPIL TRANSPORTATION

535 Contracted Service	49,570	55,310	+ 5,740
------------------------	--------	--------	---------

Reasons for change: (1) Under the terms of the three year contract the second year increase previously negotiated makes up a large part of the increase. Additionally we have provided for additional routes or extended routes and a slight increase in transportation for special education.

CATEGORY 600 OPERATION OF PLANT

610 Salaries	43,831	46,678	+ 2,847
630 Supplies	10,960	15,263	+ 4,303
635 Contracted Services	824	916	+ 92
640 Heat	37,950	37,650	- 300
645 Utilities	15,600	19,025	+ 3,425
690 Other Expenses	450	500	+ 50

Reasons for change: (1) Custodial salaries represent an increase comparable percentage wise to other non-professional hourly increases with the addition of a part-time custodian at the High School. (2) The custodial supply budget again reflects the tremendous increase in prices for paper products, chemicals, and wages. For similar quantity we have huge percentage increases. (3) Contracted services reflect slight increases in rubbish removal and uniform rental. (4) Although the heating category shows a slight decrease the oil quantity and price

have been maintained the same as last year and the change is represented only in the electrical aspect wherein a utility account was previously incorrectly budgeted in this category. (5) Utilities are greatly increased representing substantial increases in electricity and telephone service. Two recent electrical increases and a projected third increase comprise the bulk of the operational budget increase. Additional lines, the direct connections on the fire detection system and increased toll rates have increased the telephone budget. (6) Custodial travel between schools and trips to suppliers in surrounding towns has necessitated a slight increase in this travel budget with a rate change to \$.12 per mile.

CATEGORY 700 MAINTENANCE OF PLANT

725 Replacement of Equipment	12,000	8,881	- 3,119
726 Repairs to Equipment	250		- 250
735 Contracted Service	3,882	5,490	+ 1,608
766 Repairs to Building	6,100	6,505	+ 405
790 Other Expenses	300	1,090	+ 790

Reasons for change: (1) Instructional equipment replacement includes two teacher desks, sixty student chairs, chair glides, a T. V. Monitor and a tape calculator for the elementary schools. In addition for the high school there are innumerable small items for Home Economics including an ironing board, iron, portable mixers, cookware, sewing items, knives and a variety of pans. In Physical Education we have included weights, trampoline springs and stop-watches. For the Library Audio-Visual Program we have included a replacement 35mm filmstrip/sound projector. Industrial Arts equipment includes drafting templates and other auxilliary equipment, a variety of saw-blades, wheels, drills, snips and so on for metals shop, and saw-blades, bits, rules and work benches for wood shop. Non-instructional replacement includes window shades, a back drop for the High School stage, a new scoreboard for the gymnasium, fire blankets for the labs, metal crutches, and five cafeteria tables for Harold Martin School. (2) Repairs to equipment has been deleted and moved to Contracted Service for repairs wherein the increases are basically in new service contracts with Simplex, Johnson Control and increased contracts with office equipment and typewriter service companies. The preventive maintenance service contracts in all other areas have been continued. (3) Repairs to buildings are basically scheduled maintenance with the paint schedule, glass replacement, roof repairs, and includes parts replacement for the heating systems, plumbing and electrical systems. A new door and frame for the paint shop in Industrial Arts is a request from the Fire Marshal and otherwise there is nothing new contemplated. (4) The increase in other expenses for the repaving the high school parking lot and roads as well as for upkeep of the grounds.

CATEGORY 800 FIXED CHARGES

850 District Contributions	54,893	56,773	+ 1,880
855 Insurance	8,082	10,701	+ 2,619

Reasons for change: (1) District contributions have increased with salaries wherein teacher retirement and F. I. C. A. require the higher contribution with a higher wage base mandated for computation. (2) Our insurance package has been completely revised so that the buildings and contents are rated for current replacement value.

CATEGORY 900 SCHOOL LUNCH

975.1 Federal	6,000		- 6,000
975.2 District	8,200	6,500	- 1,700

Reasons for change: (1) The Federal participation budget has been dropped as an in and out item because it is limiting in the amount of Federal Funds which may be used. Therefore in the warrant an article allows us to apply for and use federal and state funds granted. (2) The district budget represents our contribution to help support the lunch programs in subsidizing where operational income does not carry expenses.

CATEGORY 1000 STUDENT BODY ACTIVITIES

1010 Salaries	5,240	6,100	+ 860
1075 Transfer of Monies	8,025	10,475	+ 2,450

Reasons for change: (1) The salaries for student body activities have been negotiated with other salaries and the increase is basically due to women's sports wherein equality has been pressed. Likewise, commensurate time in coaching or directing as well as pressures involved have been used in determining salary. (2) The transfer of monies for general support of activities has increased greatly because of increased fees for referees and other officials as well as greatly increased transportation costs.

CATEGORY 1200 CAPITAL OUTLAY

1266 Buildings	6,000	1,500	- 4,500
1267 Equipment	19,502	6,559	-12,943

Reasons for change: (1) Capital outlay for buildings this year contains only the continuation of the carpeting program at Harold Martin School previously scheduled but interrupted last year because of the addition at Maple Street. (2) The capital outlay equipment consists of a portable projection screen, microfilm lap readers, book carts, adding machines, typing stand, magazine rack, calculator, overhead projector, typewriter, language master, chalkboard, tote trays and storage unit, uneven bars for Physical Education, Orff-Kodaly

instruments for music, hot plates, centrifuge, wind meter and work tables for Science plus a storage cabinet, trapezoidal tables, ten chairs and a generator.

CATEGORY 1300 DEBT SERVICE

1370 Principal of Debt	65,000	60,000	- 5,000
1371 Interest on Debt	29,215	26,205	- 3,010

Reasons for change: (1) The bond on Maple Street School and the High School addition will be paid off next year with only one more year remaining on the Maple Street Addition. (2) The interest is likewise reduced reflecting bonded indebtedness.

CATEGORY 1400 OUTGOING TRANSFERS

1477.3 Supervisory Union	42,540	48,972	+ 6,432
1479.1 Tuition to other than Pub. Sch.	3,501	11,673	+ 8,172
1479.2 Trans. to other than Pub. Sch.		6,903	+ 6,903

Reasons for change: (1) The Supervisory Union No. 24 budget explanation is enclosed in the Annual Report. (2) Tuition and transportation to other than public school represents state average costs for children to attend other schools for handicapped. Under laws enacted by the Special Session of Legislature in 1974 the revised statutes 186-A:8 provide for far broader handicapped cases and the budgeted figures represent the actual cases to date.

CATEGORY 1900 MISCELLANEOUS ACCOUNTS

1981 Refunds	4,000	5,600	+ 1,600
--------------	-------	-------	---------

Reason for change: (1) costs of operation for teachers and materials are partially reimbursed by State money and Driver Education fees.

SUPERINTENDENT'S REPORT

The burden of funding education weighs heavily upon local districts while concurrently the task of providing satisfactory educational programs with suitable alternatives is likewise the responsibility of the district.

After a decade of participation from the State and Federal governments we have failed to see the emergence of proposed funding but we have seen categorical funding to remove inequities and strong advocacy for accountability.

Timeliness in education is important in preparing our children for the competition of today's world but the importance of individual skill development has never decreased in importance. Although approaches to the teaching-learning process have varied to a far more personal approach, the emphasis is on basics in a functional setting with a sense of belonging and involvement.

As a rural district we invite and have the involvement of the community in many facets of our public schools. The credibility gap has lessened and confidence in the public school system has increased in most public sectors. Although we still have a few failures, percentages have greatly reduced with diagnostic development, remedial and developmental assistance, and motivation based on achieved competence, career awareness, and viable educational alternatives.

Fortunately, the public school program is destined to change to meet fulfillment of the demands of society in educational, business, and conversely depression factors have attacked our daily routines at work and at home and similarly they have attacked our institutional services. Your indulgence is necessary through these trying times to provide the necessary instruction vehicle so that an undiminished educational program may continue for our children.

The professional staff and school boards have worked diligently to provide a maintenance budgetary appropriation with change only where mandated for subsistence. We respect your affirmation of excellence in education and support for continuance of instructional improvement for our youth.

Respectfully submitted,

Neil E. Cross

HOPKINTON ELEMENTARY SCHOOLS

Malcolm A. Merrill, Principal

Hopkinton Elementary Schools closed doors June 15, 1974 behind 505 pupils; 160 at the Harold Martin School and 345 at Maple Street School. Eighty four of these pupils would matriculate at Hopkinton High School as seventh graders come September 4. Eight staff members; four full-time classroom teachers, our school nurse/teacher, two part time teachers, and a part time teacher-aide also left our ranks. Two beloved friends, Margaret Sinclair and Belle Nightingale, retired after many years of faithful service to our community.

Schools re-opened September 4 with an enrollment of 493 pupils; assigned as follows:

Harold Martin School		Maple Street School	
Kindergarten A.M.	17	Kindergarten A.M.	17
Primary I —3 classes	77	Kindergarten P.M.	17
Primary II—2 classes	63	Grade 3—3 classes	65
		Grade 4—3 classes	67
	157	Grade 5—3 classes	84
		Grade 6—3 classes	86

336

Four replacement classroom teachers had been employed. We also hired a school nurse/teacher, full time art and music teachers (1 each to be shared between the elementary and the high school) one full time Learning Abilities specialist at Maple Street School, and a part-time aide at Maple Street School.

The new Principal's office at Maple Street School had been completed, and much of Labor Day was spent moving equipment and supplies across the corridor. Simultaneously, the former office was transformed into a learning abilities room for Martha Kruse, our Learning Abilities specialist.

The health education curriculum was completed in 1974. Suggested activities are presently being taught by classroom teachers at all grade levels.

A federally funded K-12 career education project, directed by high school principal Neal Wiggin and coordinated by fifth grade teacher Suzanne Westlund provides inservice training to all teachers, and equipment and materials to facilitate instruction in career education to all pupils in the District.

An elementary school staff librarian was not approved by the Hopkinton School Board in 1974. However the Board supports the hiring of a full-time, trained library aide commencing September, 1975. We must continue to rely on our very active volunteer program to assist the librarian.

Volunteers continue to be essential to our educational system. They not

only staff the libraries, but give able assistance to our Learning Abilities Programs and in classrooms. At present, eighteen volunteers give time to one or more of our programs. We can provide vital, stimulating work for many more volunteers. If you have time to give, our children need you.

We anticipate no drastic changes in curriculum nor staffing pattern during the next school year. The English Language program has needed updating and revision, and teachers have already commenced placing renewed emphasis on written and oral communication skills. We do need an up-to-date textbook series to provide the core of the curriculum. I have requested money in the budget to purchase textbooks for all pupils in at least one grade level for September.

Education in Hopkinton Schools need not stagnate because of a tight economy. Improvements can be made in curriculum and instruction without adding appreciably to the financial burden. That is our goal for 1975.

Malcolm A. Merrill
Principal

HIGH SCHOOL PRINCIPAL'S REPORT

With the opening of school in September, we implemented a number of curriculum changes. Ninth grade social studies replaces the outdated civics course with ten nine-week courses, covering a variety of social science topics. Home economics updated its offerings in the same way, by making it possible for students to have more choices of topics.

In grades 11 and 12 we followed the nine week course options for English. In Industrial Arts, the addition of David Perrin to teach drafting and electricity has filled a need we have had for years. The addition of Susan Blomshield in music has enabled us to relieve Mrs. Wilson of the junior high music and high school chorus so that we can resume the elementary program begun two years ago and interrupted by our need to meet minimum state standards at the Junior high level.

With 395 students, three less than a year ago, we began our school year with longer class periods and fewer of them. Though this had some tremendous value in making it possible for students to get help from classroom teachers and have less study hall time, it placed some limitation on the number of courses a student could elect, and this resulted in their electing not to be in the music courses.

Through department heads meetings we explored another option in the attempt to retain the best of the original schedule while resolving the problem of the music students. This had less than satisfactory results. So we have now added a period to the day in order to give music a fair chance in the schedule. That of course means that we now have study halls for other students.

We will involve the entire staff in discussions and planning as we look forward to creating a better scheduling arrangement for 1975-76.

During the coming year we will be going through the process of accreditation. We last did this in 1966; it is customarily done every ten years, but may be required oftener if a school is below standard. It takes a lot of work over a period of 15 months. It is a valuable process in that it makes us take a very close look at all aspects of our program. The visiting committee, who will decide our accreditation, will arrive in April of 1976. They will make recommendations which we will be required to act upon to maintain our accreditation. In two years we will have to file a report as to what we have done about these recommendations; in five years an additional report must be filed. This is not a frightening or threatening process. We need have no fear or anxiety about it. It is a professional, business-like activity that has as its sole purpose, the improvement of education for our students. We shall be busy. We will need information which the community can provide, so we will ask your help at town meeting to give us some data needed for our report. This data helps us describe the community and its inhabitants. It is important in helping the school judge what kind of school it should have.

The Citizens Advisory Committee on Curriculum is helping to do this. They have also been helpful in identifying problems within the school, giving us valuable feedback about our program and instruction. We are aware of several concerns the community has, and are working on these. Let me once more invite any others who wish to, to take part in these meetings. Drop a

note to Mrs. Edith Houston at the high school, or call us and leave your name and telephone number if you would like to know when these meetings are held. If you have concerns with any aspects of the school, we invite you to write us or call us. Unless we know what the community expects from its schools, we cannot provide it. This does not mean that every individual concern is a valid one; it does mean that all will be heard and considered.

Though this has been an exceptionally busy year, with many, many things going on simultaneously, I have enjoyed being a part of this school system and look forward to the coming months and new school year with a great deal of optimism.

Respectfully submitted,

Neal A. Wiggin
Principal

Parents and Nurse conferences – 15	

REPORT OF ANNUAL SCHOOL MEETING

March 8, 1974

The School Meeting was called to order at 8:55 a.m., March 5, 1974, by the Moderator, Philip S. Dunlap. at the Town Hall. An attested copy of the warrant was read by the Moderator.

After action on the warrant for March 5, 1974, and Article VI, the meeting was recessed to reconvene at 7:00 P.M. Friday, March 8, 1974 at the Hopkinton High School Gymnasium to act upon Articles I through V and Article VII.

At the above date, time and place, the meeting was reopened by Moderator Philip Dunlap, duly elected and qualified, by the balloting on March 5, 1974.

The Moderator read the warrant.

ARTICLE I

The Moderator recognized Thomas Rath who offered the following motion: I move that the district authorize the School Board to make application for and accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1974-75.

The Motion was adopted in the affirmative.

ARTICLE II

The Moderator recognized Mary French who offered the following motion: I move that the district accept reports of agents, auditors, committees and officers as printed in the annual report and placed on file.

The Motion was adopted in the affirmative.

ARTICLE III

The Moderator recognized Lawrence Patz who offered the following motion: I move that the district vote to raise and appropriate the sum of \$1,166,467.00 for the support of schools, payment of salaries for school district officials and agents and for payment of statutory obligations of the district.

Richard Vogt, seconded by George Boucher, moved that the article be amended to insert the figure of \$1,181,230.00. He explained that the teachers had not agreed with the Board salary figure and wanted the minimum increased from \$7,100.00 to \$7,300.00. Mr. Manus explained the Board's attempt to hold the line on budget increases in that the Board figure itself in total was up almost \$200,000.00 or about 20% above the previous year's budget. Questions were asked by Mr. Prohaska, Mr. LaForce and State School Board member Mrs. J. Robert Caouette. Mr. Collins, Mr. Moynihan and Mrs. LaForce also made various points about the budget. Mr. Grubbs

and Mrs. Arnold inquired about the school nurse and Mr. John French inquired about teacher fringe benefits. Discussion being terminated Mr. Harry Parker requested a YES-NO Ballot.

Votes Cast: 183

Yes: 76

No: 107

The amendment to increase the budget failed by 31 votes.

The original motion was then adopted in the affirmative.

ARTICLE IV

The Moderator recognized William Milne who offered the following motion: I move that the district raise and appropriate the sum of \$5,000.00 as a contingency fund.

The Motion was adopted in the affirmative.

ARTICLE V

The Moderator recognized Harry Parker who offered the following motion: I move that the District adopt the provisions of RSA 31:105, and thereby indemnify and save harmless District employees or agents from claims arising out of their employment with the District.

Mr. Swenson inquired as to whether the Board would purchase insurance and Mrs. Claire Arnold inquired as to insurance coverage for children when playing sports at school. The Board agreed to look into both matters and report back to the next annual meeting.

ARTICLE VI

The Moderator then read and declared the names of the persons elected at the annual school district meeting balloting on March 5, 1974 as hereafter appears in this Report.

ARTICLE VII

Under other business, Mr. Langwasser and Principal Wiggin explained that certain materials discussed by the Citizens Curriculum Committee were not sex education materials meant to be included in school courses. Any sex education course would have to have broad community involvement before being implemented, said Mr. Wiggin.

Mr. Grubbs requested that in the future the Board should provide as much detail in its budget reports as the Selectmen did in their smaller budget.

There being no other business to come before the meeting the Moderator declared the meeting adjourned at 8:20 p.m.

Respectfully submitted,

Clerk, Charles G. Douglas, III
Moderator, Philip S. Dunlap

1974 ELECTION OF SCHOOL OFFICERS
